## Attract *More* Students WITH A MOVIE EVENT

Showing a movie not listed here? Ask your Account Executive about ideas for turning your next movie into an event.

### **Captain America: Civil War**

When students arrive to your showing, let them decide whether they want to be Team Iron Man or Team Captain America. Then, host a bunch of activities like trivia, polls and more via Twitter and Instagram throughout the screening. Announce the winning team at the end of the movie.

### **Ghostbusters**

Celebrate this classic comedy by hosting a stand-up competition to find the funniest student on campus. Rent a slushy machine and serve your own tasty version of ectoplasm.

### **The Angry Birds Movie**

Host an Angry Birds game on campus to go along with your movie screening. Pinterest has small-budget ideas using homemade slingshots, cardboard boxes and playground balls. The bigger you make it, the more fun your campus can have!

### **Finding Dory**

Fish are friends, not food! However, you can use these aquatic friends to inspire sea-themed snacks at your showing. Mix Swedish Fish® with Baked Lays® potato chips for your own take on fish n' chips, add sideways M&Ms® to cupcakes to look like fish scales, or tie Twizzlers® Pull n' Peel™ candy to pretzel rods and gummy worms to create edible fishing poles.

## The Conjuring 2

Get your heart beating in more ways than one! Partner with your campus recreation center to turn your screening into a boot camp workout. Have experts lead attendees through quick drills every time someone in the film screams, walks into a dark room, opens a door slowly and more.

## The Secret Life of Pets

Give students a break from stress with a pet-and-play event co-hosted by a local animal shelter or animal rescue center. Encourage students to come enjoy this movie with friends and take turns cuddling and playing with the dogs and cats provided by the shelter or rescue center.

## Teenage Mutant Ninja Turtles: Out of the Shadows

Help students get their piece of the pie before your showing with a pizza-making contest! Partner with dining services to show off the skills of the top chefs on campus and invite professors and campus staff to serve as judges.

## The Purge: Election Year

Pair this movie with an ultimate paint ball challenge. Build a course that lets participants duck and hide behind hay bales, plastic barricades and more as they eliminate opponents in quick 15-minute rounds. At the end of 15 minutes, all of the players who have been hit are eliminated as new players join the game.

## For you to know prior to your screening

### PRICING AND ADMISSION

Pricing is based on several factors including anticipated crowd size, screening location and the film itself. Pricing is for one day's rental; however, additional days can be added at a discounted rate. You are welcome to charge admission for your screening which could be a great way to help cover the cost of the licensing. If admission is charged, the total cost of the licensing will be the quoted licensing fee versus 50% of your ticket sales, whichever is greater.

### ORDERS AND CANCELLATIONS

Orders should be placed and confirmed prior to advertising and at least two weeks prior to your screening. We can typically accommodate last-minute bookings as well, so always check with your Account Executive prior to your event regardless of lead time.

All changes and cancellations must be received at least 14 days prior to your event. If you need to cancel and are unable to give 14 days' notice you will be required to pay the licensing in full. However, you will have up to one year to reschedule that same movie at no additional licensing fees.

In the case of an unforeseen circumstance (bad weather, electricity outage, equipment malfunction, etc.) that prevents you from being able to host your event as planned, you will have up to one year in which to reschedule the same movie with no additional licensing fees. It is important that you notify your Account Executive immediately of the cancellation. Payment is due at the time of the original show date. Depending on when you reschedule your event, you may be responsible for round-trip shipping and handling for your new show date.

### PAYMENT

Payment is due upon receipt of the invoice and we accept check or credit card.

For payment inquiries: 1-800-876-5445

**Remittance Address:**

Swank Motion Pictures  
2844 Paysphere Circle

## SHIPPING OF YOUR MOVIE

Your movie arrival times may vary depending on the media you have selected:

- o DVD – approximately 2 days prior to your screening
  - Please note that pre-home DVDs have a Pin Play security code that must be entered in order to play the DVD. This code will be delivered via email and/or text up to 5 business days prior to your screening. If you are new to your position it is important that you contact your Account Executive immediately to ensure that you are scheduled to receive the code.
- o 35mm – approximately 1 day prior to your screening
- o DCP – approximately 2 days prior to your screening
- o Cinelink download – up to 2 weeks prior to your screening
  - Please note that Cinelink must be powered on and connected to the internet in order to receive the download.

Please contact your Account Executive at least one day prior to your show regarding undelivered or damaged items. We highly suggest that the film be tested at least 1 day prior to your event to ensure a successful screening. It is recommended that you test the film, in its entirety, in the actual equipment that you plan on using for your event as compatibility can vary depending on equipment.

Movies must be returned on the 1st business day following your scheduled event. Charges may apply for late returns. You are responsible for the movie while it is in your possession and until Swank receives it.

## ADVERTISING

Licensee shall have the right to advertise, publicize and promote the exhibition strictly limited to the licensee's premises and via private mailings, web and social media directed to students, faculty and staff. Advertising through media such as public television, radio and newspaper is discouraged. Licensee agrees that any advertising, publicity or promotion that is conducted by means of a marquee, lighted sign or billboard may not be viewable by the general public. Should these policies be violated and/or the screening become openly competitive with a commercial theater all rights to advertise, publicize and promote may be revoked and your screening may be at risk for cancellation.

Promoting your screening is key to having a great turnout. Our Account Executives are full of ideas on successfully promoting campus movie events.

Additionally, free, customizable publicity materials are available for download on the Promotional Materials tab on our website.

**Please do not begin advertising your movie event until you have arranged proper licensing and have received official confirmation from Swank Motion Pictures.**

## COPYRIGHT LAW

Any exhibition of a movie outside of a home setting is considered a public performance and therefore requires licensing even if there is no admission charged and if the screening is for a limited audience. Swank Motion Pictures has been appointed by major Hollywood studios to provide such licensing in non-theatrical markets, including Colleges and Universities. The licensing fees compensate the copyright owners and the men and women who work on the film's production. These royalties are the way publishers, authors and composers are paid for their work.

## COPYRIGHT RESTRICTIONS

Your license is only valid for the agreed upon date, title and location. Violation of this is subject to penalties set forth in the Federal Copyright Act. No movie or portion thereof may be copied, duplicated or distributed in any manner. Ownership of the content shall at all times be vested strictly with the producers, including but not limited to all registered and unregistered trade names, logos, trademarks, characters and names of the movie. Licensee will not make or authorize any others to make any modifications, deletions, cuts or additions to the content.
